本を読め。これは命令だ。

Read books. This is the instruction.

読書の秋を迎えている。私が最近読んだのは「オレたちバブル入行組」あの有名な「倍返し」の原作。自らの銀行での体験があるようだ。面白いよ。挑戦してみて。言葉は必ずあなたの内面を耕すから。

We reached the fall of reading. Recently I read the book titled 'Oretachi baburu nyukougumi'. Original of the famous "buy-back" He seems to have experience at the bank. Let's try to read books!!! Words will never fail to cultivate your mind.
